

Neura Companion

The AI That Feels You

What is Neura?

Neura is your intelligent, emotionally-aware AI companion. She learns your mood, adapts to your needs, and helps guide you with real-time feedback and support.

Key Features

- Real-time voice recognition
- Adaptive personality engine
- Mood-based visual interface
- Room exploration: Joy Lounge, Mood Den, Reflection Bay
- Viseme-animated speaking AI

Companion Benefits

Neura isn't just an assistant. She's your friend, therapist, and daily motivator. She evolves with you, learns what matters, and helps you grow.

Platform Support

- Android
- Windows
- Web App
- Future VR environments
